Canon McMillan Senior High School

Canonsburg, Pennsylvania

DEDICATION

Mrs. Naomi Boak, who teaches Biology in the Science Department, has a Bachelor of Science Degree and a Master of Education Degree from the University of Pittsburgh.

Being one of the most respected and well-liked teachers in the school, she expects and gets the very best from her students. The needs of the individual student are of great concern to her.

The Future Nurses of America, under the leadership of Mrs. Boak, has come to be a club with some of the highest standards in the school.

In this, the year of our evaluation, tremendous confidence has been placed in Mrs. Boak. She was chosen to head the Philosophy and Objectives Committee. The objective of this committee was to epitomize the ideals and goals of Canon-McMillan Senior High School.

It is with great pleasure that we, the class of 1962, dedicate this book to Mrs. Boak. We will ever hold in honor and esteem the fondest memories of you, Mrs. Boak.

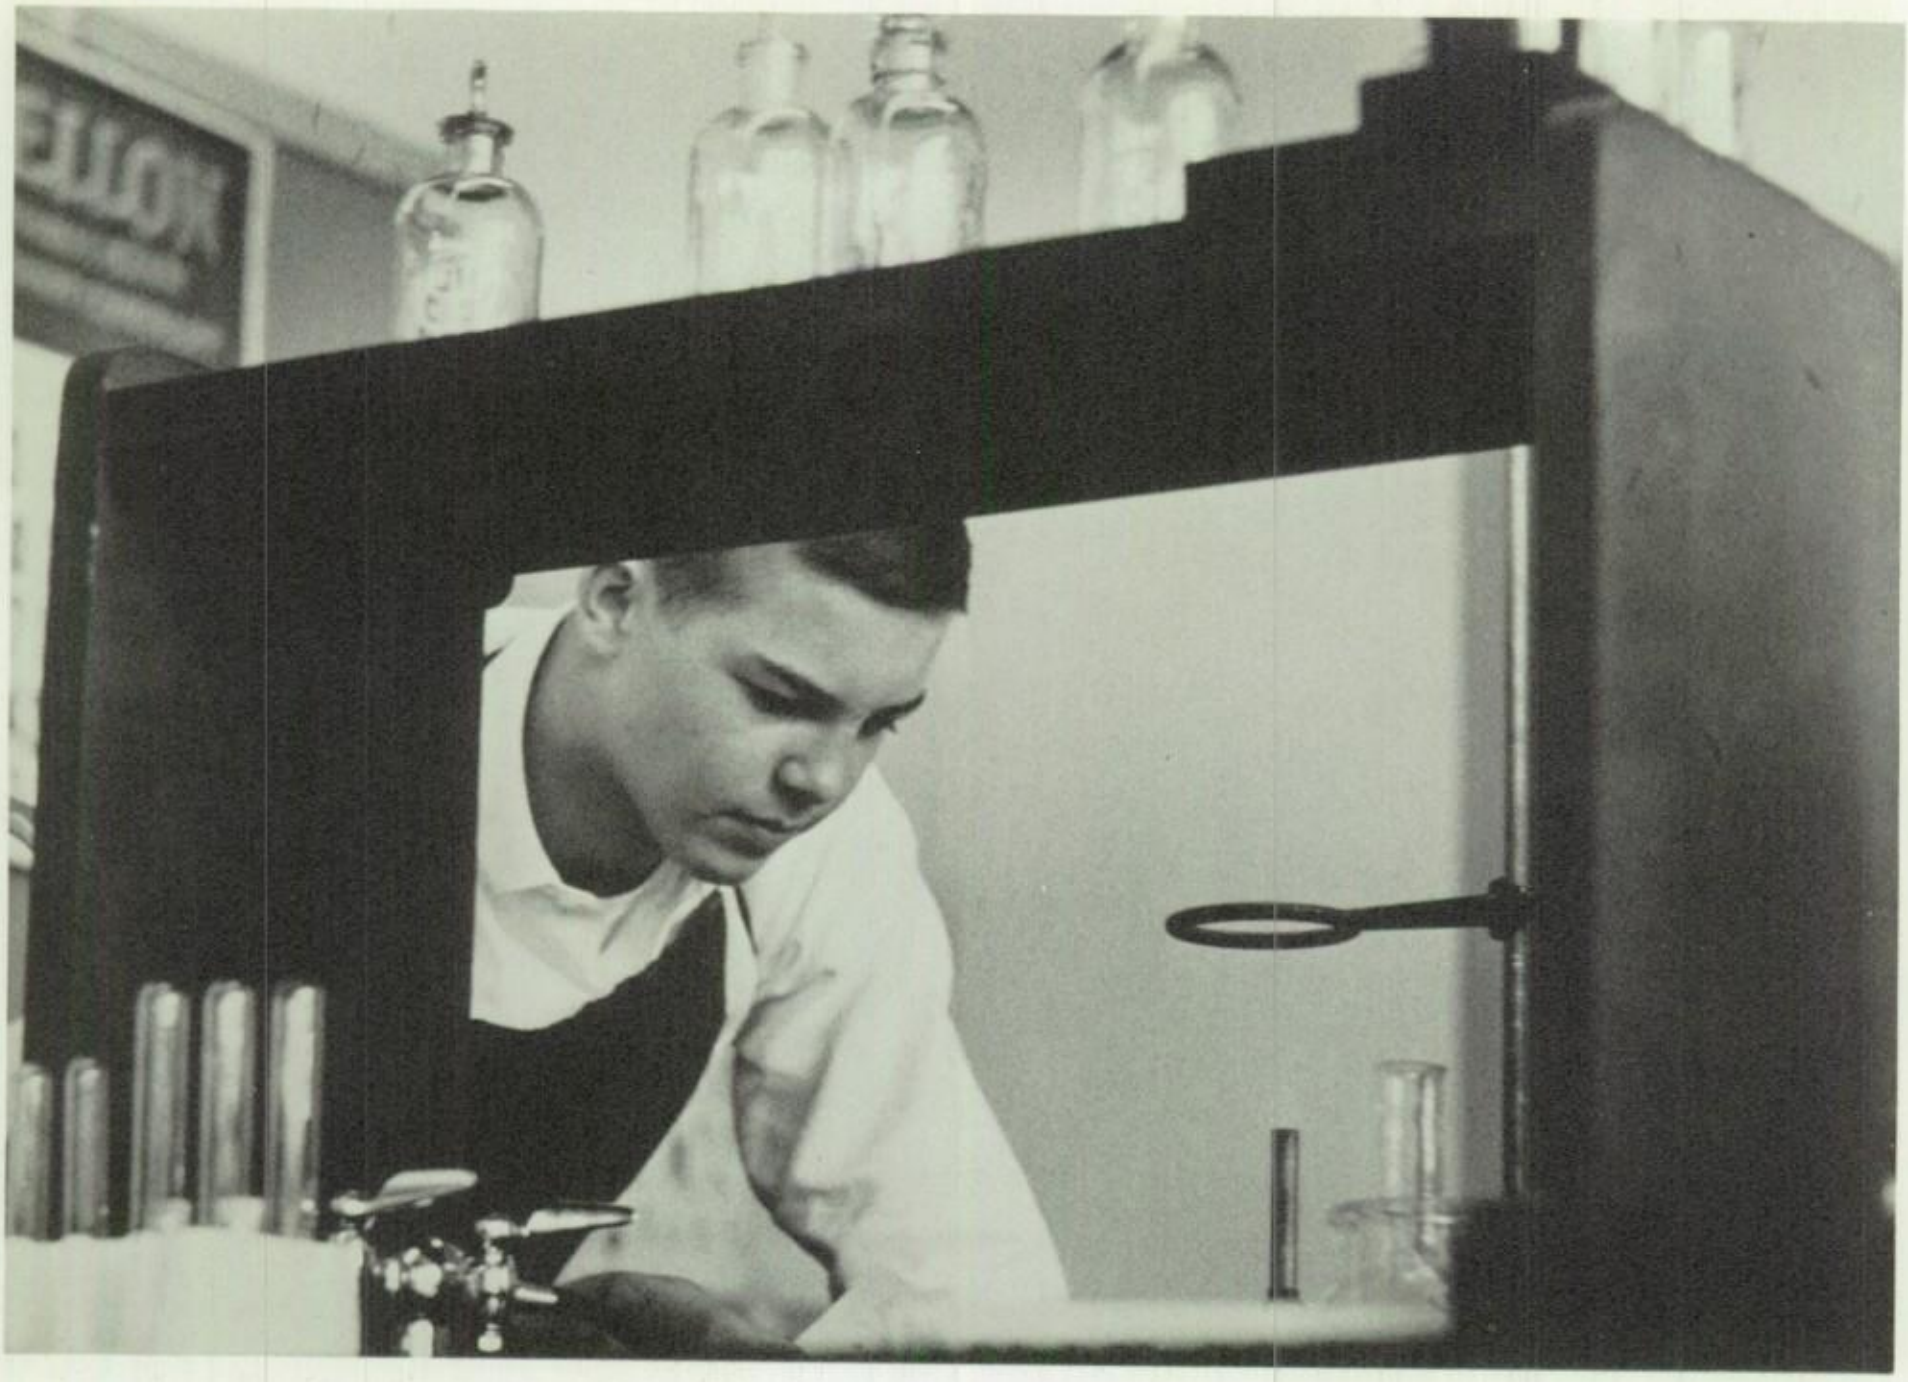
BIG MAC

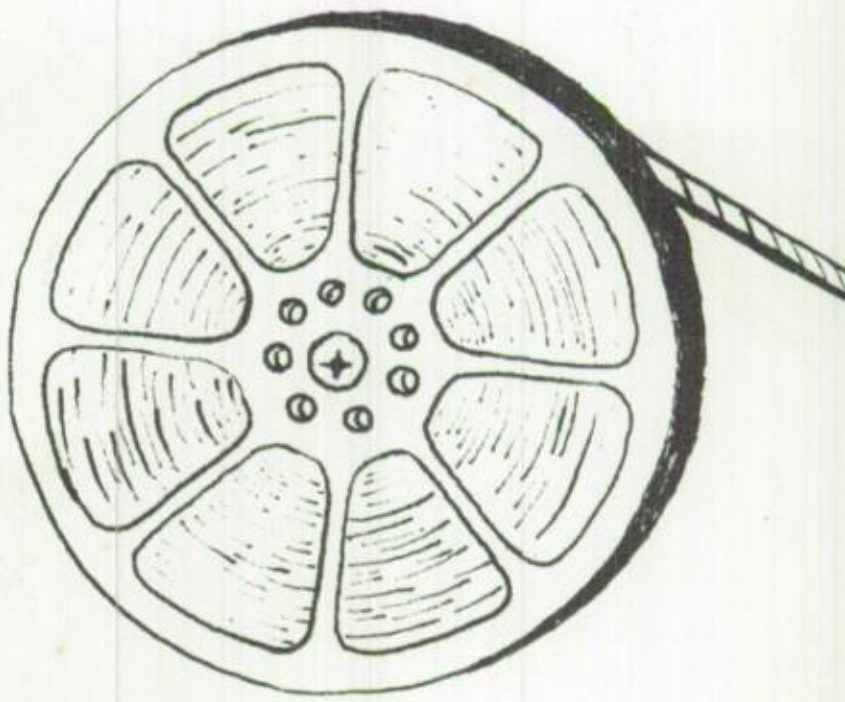
PRESENTS

HIS SPIRIT OF 62

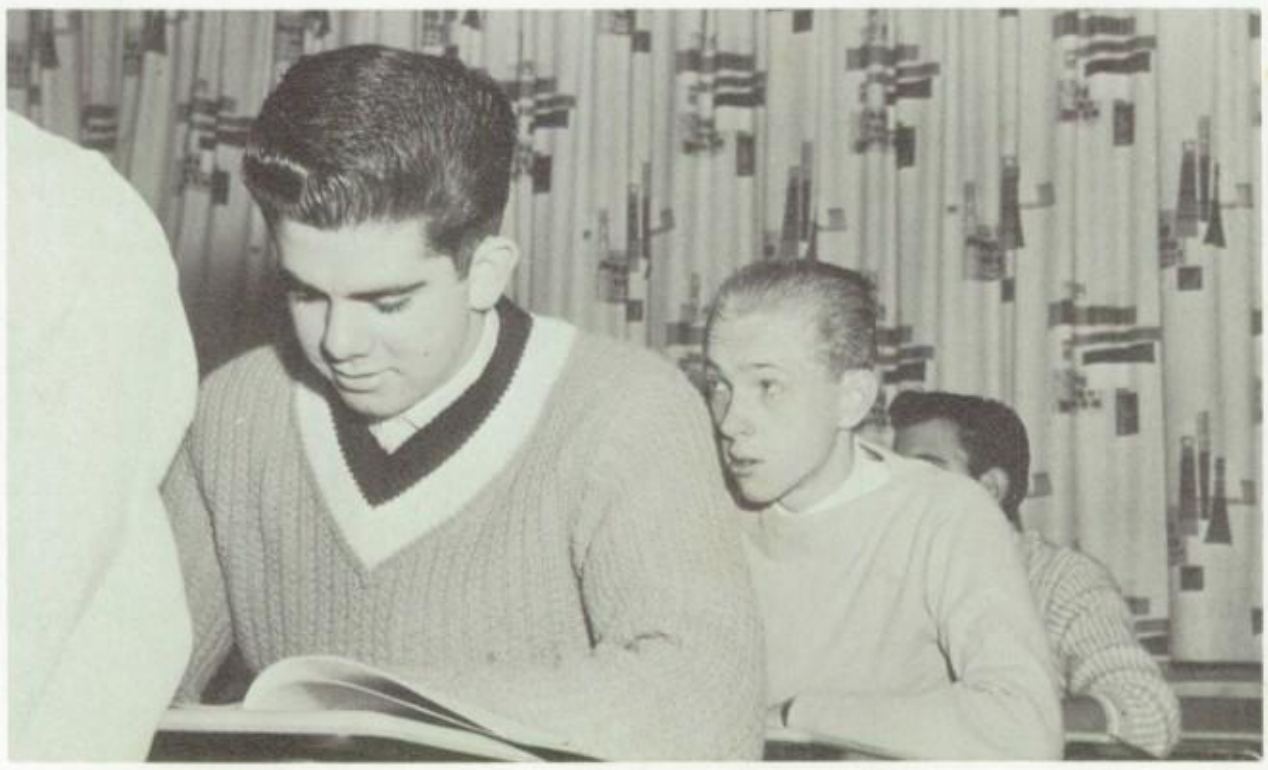


His Spirit Of Learning And

Spirit, a major part of high school life, is intangible. It can neither be seen nor touched; yet it can be felt throughout our school. Spirit can be found in the workshops of the mind; in the classrooms, the shops, and the labs. It is shown in the desire of the students to increase their knowledge. We have said that spirit cannot be seen, but in a certain sense it can be. On the very first day of school it is noted in the hushed anticipation of the students during the orientation assembly in our auditorium. This spirit of learning can also be felt in the air of tension in a classroom on the day of a crucial test, or in the triumph of a job well done.



Knowledge



His Spirit Of Enthusiasm And

Sportsmanship

Because of the increasing success of our athletic program, Big Mac's spirit has developed even further this year, the third in the life of our school. How can we ever forget the thrill of winning the first football game of the season and the many victories that followed. The hard-working cross country team, often unrecognized but always appreciated, did much to further the prestige of Canon McMillan. We will always treasure the memory of our cagers' triumph over our arch rival, Mt. Lebanon. Our wrestling team, suffering only two defeats, also made us proud to be students at Canon McMillan High. We feel that recognition is due to the Pep Squad who have set a fine precedent for the rest of the student body by displaying the qualities of good sportsmanship. This sportsmanship was applauded by all visiting audiences. We were inspired even more by the fair play shown by every member of our teams.

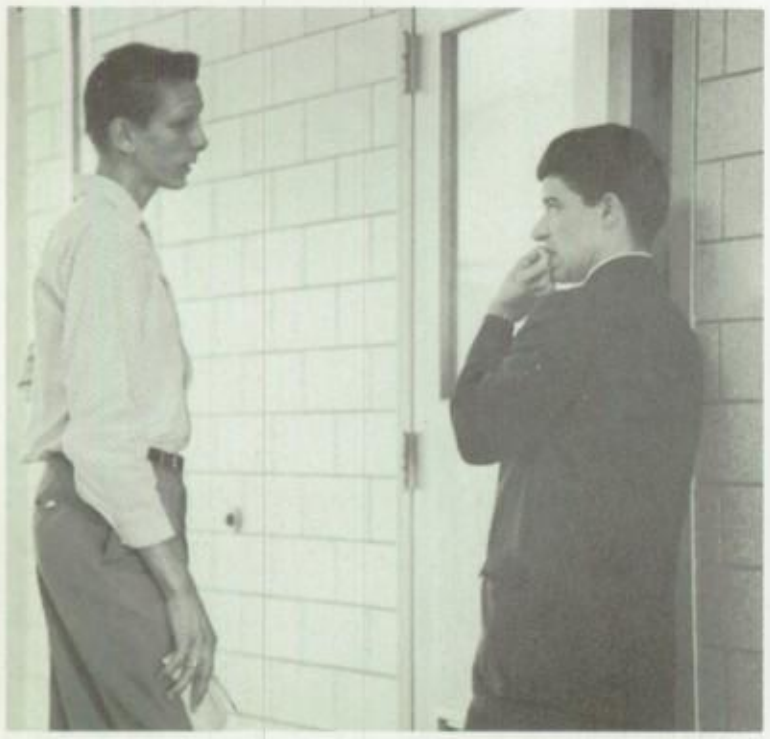
His Spirit Of Laughter And

Excitement

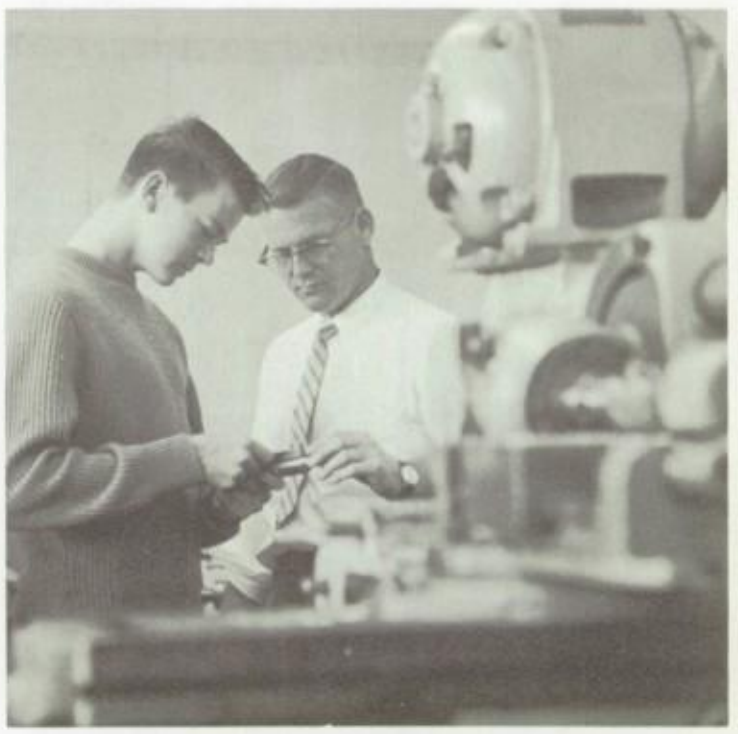
Spirit of a different kind was felt during the various extracurricular activities that were held throughout the term. The post-game record hops during the football season initiated the social events of the year. Then there was the selection of new club members and the subsequent initiations. The Harvest Dance, the first big event of the year was sponsored by the Senior Class. A very enjoyable evening of dancing was highlighted by the crowning of the Harvest Queen and her attendants. Before long the Christmas season was upon us.

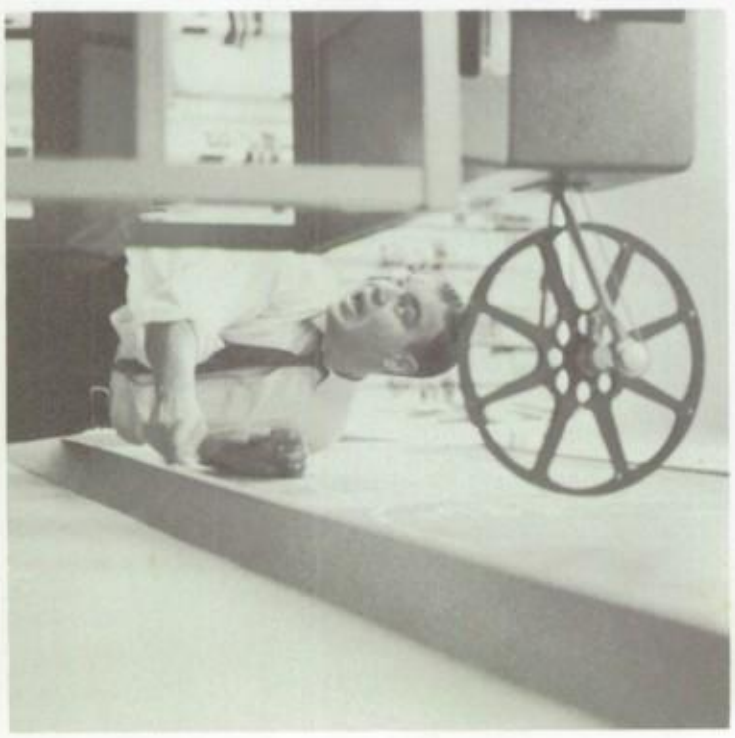
The Student Council initiated the policy of a "Dress-up Day," which turned out to be quite a success. The Christmas Dance, sponsored by the Juniors, heightened our holiday mood. Punctuating the second semester were several smaller, but no less pleasant dances and parties, such as The Mardi Gras and The Sadie Hawkins Dance. The students, especially the Seniors, will never forget the many commencement activities that concluded the 1962 school year.

His Spirit Of Unity And



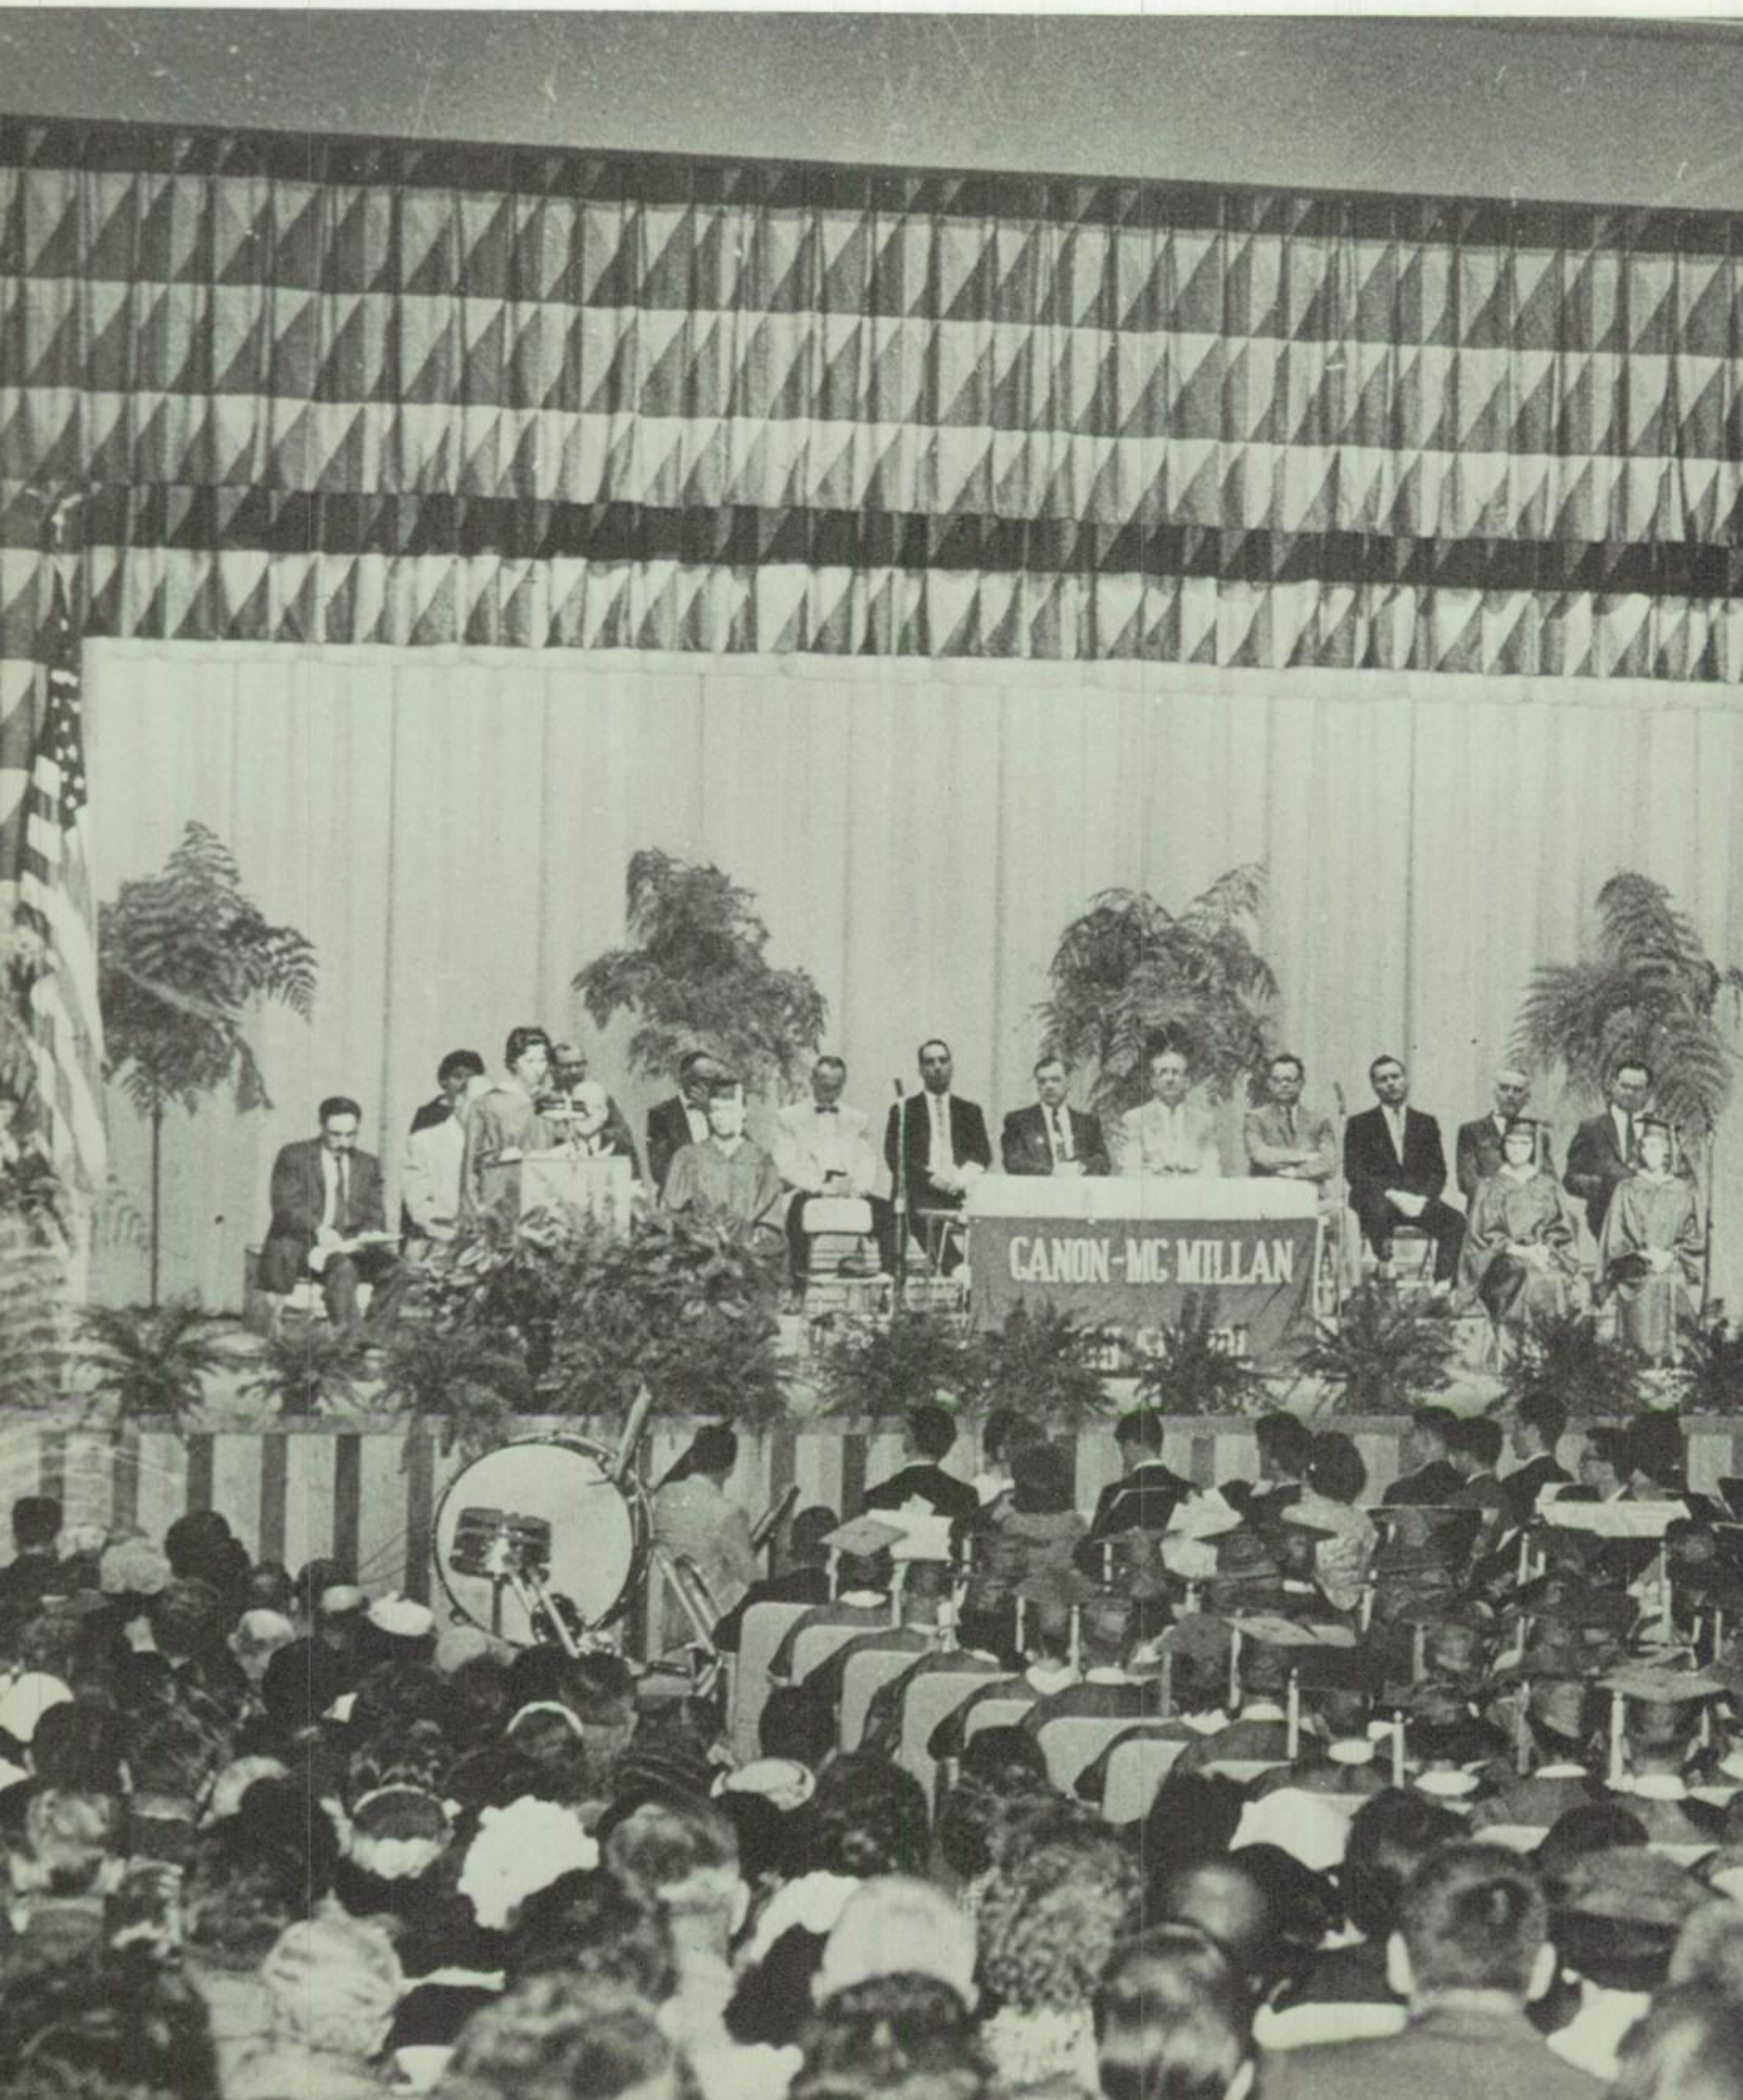
Cooperation

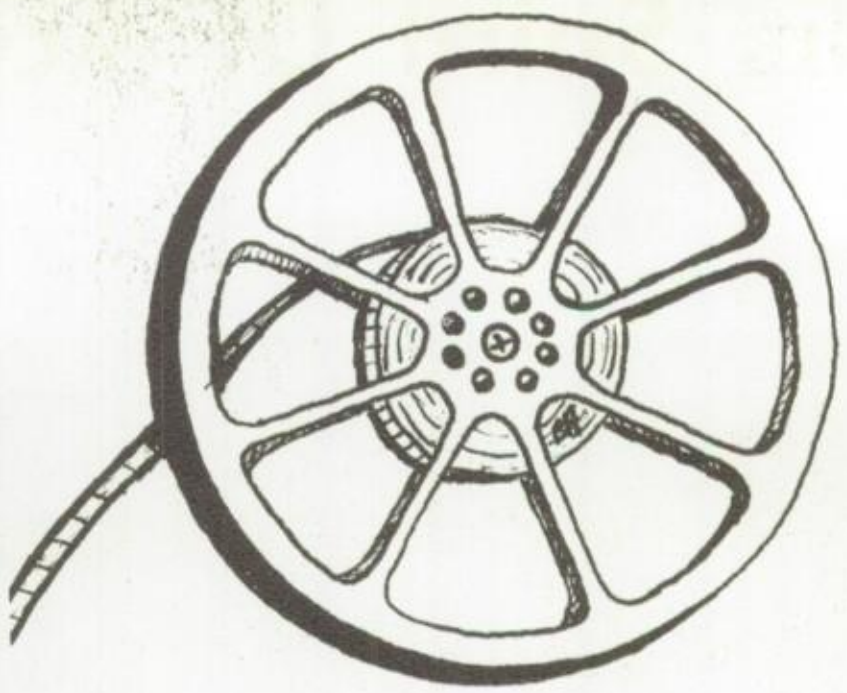




We are very proud of the spirit of unity and cooperation shown at Canon McMillan. It can be seen among the Administration, the Faculty, and the Student Body. The prime example of this has been in the preparations for the evaluation committee's visit. The entire school was united in working on this project. To all of us at Canon McMillan the evaluation of our school stands out as the most important event of the year. This concerted effort has helped us to understand more fully the meanings of unity and cooperation.

His Spirit Of Accomplishment





The spirit of accomplishment can be viewed most clearly at the end of our high school years. When looking back, we can see just how much we have achieved in three short years. Of course we cannot forget the many years of training in grade school which have been climaxed in senior high. Some have earned recognition in academic studies, others in school activities, and still others in varsity athletic competition. Certain students will further their education with the aid of scholarships won through academic ability and/or athletic superiority. Others will do well in their chosen fields because of the vocational training obtained at Canon McMillan. We have now reached the culmination an important phase of our lives. Our high school accomplishments will be invaluable to us in the achievement of our goals.

L. to R. T. Hervol, K. Briar, J. Dornan, S. Wilikenson

S. Wilikenson hands class money to Mrs. McCollum

T. Hervol discusses class business with Mr. DiYenno.

How well we remember that fresh, sunny day of September 8, 1959 when non-McMillan first opened its doors to us! We entered as a group of over r hundred bewildered sophomores, who constantly lost their way in the merous wings and corridors. There was one consolation though—the upper- ssmen were no less confused than we. We assisted in selecting our school me, newspaper name, and yearbook name. Early that year, we held our first ss rally and elected as our leaders—President, D. Bethem; Vice-president, V. l; Secretary, S. Selva; and Treasurer, S. Wilkison. Miss Paulochik and Mr. mmerfeld ably guided us through that first inimitable year of adjustment. e initial activity that we sponsored was "Lani Kani Lani", our sophomore party t attempted to envision a South Sea Isle. Our class has the distinction of ng the first to start post-game record hops, which, by the way, cost only a ne then. Those were the "good old days" before inflation! We'll never forget countless assemblies at which Mr. DiYenno stressed our feeling as "one", not ee schools. And, remember, fellow seniors,—the pleasant shock at discovering the students from Cecil weren't "hoods" and Canonsburg and North Strabane ys weren't all "sissies" or "cake eaters"? Who can forget the most wonderful ht that has taken place under this roof?—our breaking Waynesburg's winning ord at our first wrestling match! And, of course, it was a member of our ss, Ron Pritts, who started the ball rolling with a pin! In the spring, we cted our junior class officers—President, B. Modrak; Vice-president, J. Dornan; cretary, S. Selva; and Treasurer, Christine Kontomanoli. Our first year of ew traditions" ended with every event being a "first"!

Our junior year began uneventfully with literally hundreds of "tiny" sopho- res swarming around! In a way, we begrudged their being here since we re the first "pilgrims" to plant our banner on "Big Mac Hill" and regarded as belonging to only us! But, we resigned to the fact that we would not always the only ones to inhabit "Big Mac!" Besides, there were more exciting things ppening to us—junior magazine sales and that valued possession—our class g! As Christmas rolled around, we sponsored our first big dance, "Mistletoe

K. Briar and J. Dornan work with Mr. Komam on Senior banquet.

Magic." And who will ever forget Mr. Bethem's famous Christmas vacation assignment or the incident which resulted in our paying in cash for lunch!

As spring awakened the latent thespian talents of our class, we presented "No More Homework", the very well-received comedy directed by Miss Paulochik and Mr. Warne. Our "great cast" included: D. Bethem, D. Hougland, J. Orben, J. Jaap, H. Esselstyn, J. Dornan, J. Dietz, S. Peterson, L. McGreevy, J. Belfiore, S. McNutt, T. Deakin, A. Myers, J. Weinheimer, B. Jingleski, E. Bozovich, and C. Schmidt. Our junior party, "Like Purple" was a "swinging" affair with the cafeteria decorated like an espresso house.

Around this time, the new cheerleaders were selected with J. Celio, L. McGreevy, and C. Hundzienski (captain) representing our class. Those who assisted our winning track team were: Foley, Cadez, Cauthen, Snodgrass, Burchik, Gasper, J. Sedmak, G. Sedmak, Burgess, Scarton, Korba, Verona, Olenn, Hutton, Dunn, Ruggiero, J. Bell, Armstrong, Hervol, Anderson, Whirlow, Lamb, Subrick, and Grohal. The new Keystonians were chosen, and after a vibrant campaign, our senior officers were elected—President, T. Hervol; Vice-president, J. Dornan; Secretary, Kathleen Briar; and Treasurer, S. Wilkison. So ended our "jumping" junior year under the guiding lights of Miss Hoch and Mr. Lucas.

Then it came—the long-awaited, proverbial senior year! Only 275 of us now remained, but this was enough to make the Class of '62 an unforgettable one. Our new Student Council officers took over—Eigie Wilson, Ed Hundienski, Connie Budkey, and Susan McNutt. Our football team experienced its most successful season with the help of: Verona, Modrak, Subrick, Lamb, Dunn, Coligan, Maggi, Burgess, Armstrong, Whirlow, Schimansky, Foley, Sollon, Scarton, and Olenn. The biggest and best C.M.H.S. band up to now proudly marched down the field with the following seniors: Jackson, Stinespring, Gonglik, Coleman, Carazola, Petro, Thomas, V. Bell, Czarnecki, Albertini, Orben, Petracchi, Selva, Houghland, Jaap, Kosharsky, Korba, Smythe, Davis, Lemon, Gasper, Marcischak, Deakin, and Gingleski. Majorettes, Dolores Matyuf and Sandy Lazor, along with colorguards, Patti McGrevin, Nellie Sobolewski, and Jean Dunlap, received flowers at their final performance as did the senior girl band members. This was a doubly-significant occasion as it marked the last C.M.H.S. band which would have Mr. Scarci's leadership. Our cross-country harriers brought "Big Mac" more trophies with the help of: Cauthen, Belfiore, Korba, G. Sedmak, J. Sedmak, Bartnick, Snodgrass, Sacco and Hervol.

"Autumn Enchantment" was the most successful harvest dance held in our gym due to Mr. Coppola's expert assistance, "Ted's barn," "Kathy's pumpkins," and "Jean's leaves." Our class continued along the "beaten," or rather "beatnik," path be presenting "All Shook Up" as our senior play presentation. This unique production's cast included: Houghland, Matyuf, Myers, Belfiore, Bethem, Ruggerio, Chambers, McMurdy, Maggi, Sartori, McGrevin, McNutt, Verona, Hanna, J. Bell, Deakin, Celio, Briar, Miller, Wilkison, Orben, White, Esselstyn, Gingleski, and Subrick.

Then came the winter sport season with our senior boys taking command. Our third place W.P.I.A.L. basketball team was led by Lamb, Rodinsky, Thornton, Veydt, and Anderson. Pritts, Wilson, Sacco, V. Bell, Olenn and Marchishak contributed greatly to our winning wrestling team.

Remember our desperate attempts to make money without paying senior dues? We had dances, a skating party, ticket sale, and sold everything except our teachers. With the end of March came the evaluators—the people for whom "Big Mac" had been prepared since its opening. Ours was the class most depended upon by the administration to give a favorable impression.

With spring comes what else but baseball? Assisting our team were: Supinsky, Leson, DeBee, Kappeler, Sollon, Alvino, Cherokee, Rodinsky, Swihart, Kennedy, and Bethem.

Our sensational senior year is not yet over; some of the most eventful times will come in our last week which leads up to the receiving of our diplomas, and graduating into a new and exciting life, one full of hopes and dreams for the future. But no matter how far we may travel, no matter what we may do to add to this world, we will always remember our years as CMHS—the best years of our lives.

We are the beginning of a new era, the results of the dreams of many educators who worked and planned relentlessly to make "Big Mac" a reality. We are duly humbled with the presentation of the opportunity we have received. In truth, we are actually the first class Canon-McMillan has graduated—the first one groomed and grown together. For this, we are grateful. The bells that are so familiar to us no longer will ring in our ears. The hours we've spent here with our friends, in halls, in the gym, at lunch—the friendship and rivalries we have known—the victories and defeats—the maturing and learning—the patient men and women who have strived to teach us—will all be memories in a few days.

The world is now ours!!

The Juniors, the Apprentices of

1st Row: Miss Stadin, Ray Dami, Karin Japp, Mr. Lucas; 2nd Row: Sharon Radinsky, Trudy Levin

Memories . . . memories . . . memories . . . the electing of sophomore officers . . . the festive sophomore party . . . an unforgettable sophomore picnic . . . the close junior elections . . . the anxiety of receiving class rings . . . the romance of the Christmas Dance . . . the junior play . . .

As lowly plebeians, we eagerly began our first day at Canon-McMillan. Oh those frantic rushes from the gym to plane geometry! But in time we mastered these and the many problems that go along with entering a new school. School activities went into full swing, and we began to see the brighter side of our dear CMHS. All too soon we found that the year had gone.

We were now juniors, new confusions, new classes, new teachers. The year proved to be one of fun and hard work. The class united for the benefit of all, as the juniors contributed a lot of their valuable time and effort in the magazine sale. We now sought out a new goal, striving for the best Christmas Dance ever held at Canon-McMillan. And yet this was not to be the end of our accomplishments. We looked forward to a successful junior play.

However these were but few of our many experiences at CMHS, a few that will someday be only memories . . . only memories.

The Sophomore Class Story

After adjusting to their new and bigger world at Canon-McMillan the newly formed sophomore class "took the bull by the horns."

The president, Carol David; vice-president, Janet Boling; secretary Jane Kunkle; and treasurer, Doris Kusturiss are capable and willing leaders as well as some of the most outstanding people in their class.

Their sponsors, Mr. Osinski and Miss Paulochik, find it surprisingly easy to work with all the female officers of the sophomore class.

The sophomore class sponsored dances after certain sports events to raise money for their class party in the spring. A picnic is also scheduled to close the school year.

Some may think they excel in "extra-curricular activities" but of course this is quite the contrary. Striving to pass those exams, struggling to make that early school bus, and getting their homework in on time are all steps along the way to their goals, whether they be a home and family, college, or a vocation.

The Big Macs

This year's Big Mac football team was the most successful team Canon-McMillan has had. This was partially due to the performance of fourteen outstanding seniors that saw action.

Chuck Scarton, Henry Foley, John Coligan, and Mal Podrasky in the backfield moved the team to victory. Also outstanding lineman Bob Lamb, Rick Quarture, John Subrick, Renn Olenn, Steve Dunn, Ed Noviski, Paul Maggi, Les Kemp, and Bill Verona helped to spark the team to more victories than any previous team.

The first game of the season saw Monaca visiting Canon-McMillan, and the Big Macs emerged victorious with a score of 32-0. The Big Macs then traveled to Midland and defeated them by a close score of 20-14. The undefeated Big Macs met a strong and also undefeated Munhall team, a member of the Western Conference. Although the Big Macs never stopped fighting until the final gun, they were turned back by a score of 16-0. A weak but determined Mt. Lebanon team visted C.M. and trounced the host by a score of 35-6. Elizabeth-Forward was "do or die" for the Big Macs and they "did" by defeating the visitors by a score of 19-14. On October "Friday the 13th" the Big Macs ran into a little bad luck. They played their rival, Wash Hi, and were defeated 14-0. Baldwin played host to the Big Macs and overpowered them by a score of 27-6. The Big Macs lost two more close ones to Beth Center and Trinity. The last game of the season was played at 2:00 in the afternoon. This was the first day game in Canon-McMillan history and the team was victorious over Chartiers Valley. With outstanding underclassmen such as Dave Miller, Les Kemp, Mal Podrasky, Rich Quarture, Ed Noviski, Curio Signorini, Tom Hunter, Terry Behringer, and the excellent kicking of Charlie Vactor, the 1962 squad, along with Anthony Paesano, should have and will have a very successful season.

CANON-MCMILLAN CROSS COUNTRY TEAM EXERCISES COURAGE, ENDURANCE, AND HARD WORK

The "Big Mac" *harriers* started the season by placing in a tri-state meet held at Slippery Rock State Teachers College. Canon-McMillan was victorious in its first dual meet of the season by defeating Brentwood with a score of 20-35. The second "Big Mac" win came at the expense of Ambridge, which was defeated by the score of 23-32. The team successfully defended their title by bringing home the first place team trophy from the Uniontown Invitationals for the second consecutive year. Members of the team brought home six of the ten individual trophies presented. They were John Snodgrass, Joe Bartnick, Richard Cauthen, Duke Sedmak, James Sedmak, and Jerry Sedmak. The thinclads were victorious over Baldwin and Connellsville. Canon-McMillan enjoyed their first shut-out of the season at Peters Township by having six runners cross the finish line before the first Peters Township harriers. At the annual Central Catholic Invitational the "Big Macs" placed third and brought home their second team trophy of the year. Joe Bartnick placed first in a losing effort as Central Catholic handed the harriers their first and only defeat of the year by a score of 30-25. Hopewell High School offered little competition as the "Big Macs" went on to gain their second shutout with Richard Cauthen, John Snodgrass, and Joe Bartnick tying for first place. At the Hopewell Invitationals the "Big Macs" placed fourth out of seventeen teams. At WPIAL the "Big Macs" missed going to state by finishing fourth. However, all was not in vain. John Snodgrass, placing fifth, and Jerry Sedmak, eleventh, represented the team at the PIAA meet held on the Penn State College Campus. Coach Gowern is looking forward to a successful season next year.

. . . . . as the season comes to a close, the boys have mixed emotions. The seniors have those of sorrow to know that the sport is finally coming to its close. The underclassmen have the joy of looking forward to a successful season next year. The boys have had many pleasant experiences and many disappointments. Through hard work, courage, and drive, they have enjoyed a most successful season. Mr. Newell, assistant coach, and Mr. Gowern, head coach, have worked hard with the boys in developing adequate work-outs. The cross-country team goes on with the loss of eight seniors, facing the future with confidence.

The Big Mac cagers had a very successful season this year. They placed third behind Mt. Lebanon and Washington. The Big Mac quintet was composed of all seniors: Lamb, Anderson, Veydt, Rodinsky, and Thornton. In section four the Big Macs posted one or more wins over everyone except Washington. The section four champions, Mt. Lebanon, were beaten only once and that was at the hands of Canon-McMillan. In their first meeting the Big Macs were beaten by a score of 83-70 on Mt. Lebanon's home court. In their next meeting the team was favored even though they were badly beaten the first time around. With Bob Lamb holding out the Mounties big gun Bob Bennet and with the sharp shooting of Veydt, Thornton, Anderson, and Spotti, the team came through with a 54-50 victory. After beating the mounties the Big Macs were going out to avenge an earlier defeat of Wash Hi. Wash Hi proved to be very tough again and the Big Macs just couldn't come up with the victory. Some of the outstanding underclassmen for the Big Macs were Art Sprenkle, Wade Timmerson, Bill Spotti, and Bob Novak. These underclassmen and some of the boys coming up from the "B" squad, along with Coach Stanko, are going to try for that first place in section four in "63".

GRAPPLERS DISPLAY SPIRIT AND PROFICIENCY

Hard training, ability, and experience empowered Canon-McMillan wrestlers to have a successful 1962 wrestling season with twelve wins and two losses. The opening of the season found the Big Macs defeating Baldwin 36 to 19, Chartiers 38 to 8, and Trinity 25 to 18. The Big Macs suffered their first loss at the hands of a powerful rival, Waynesburg. The grapplers staged a comeback by winning the next nine consecutive matches. They were victorious over Washington 35 to 6, Chartiers 34 to 14, Uniontown 52 to 3, Avella 50 to 3, German Township 45 to 5, Beaver Local 24 to 13, Burgettstown 40 to 13, Trinity 29 to 21, and McGuffy 47 to 7. Following this line of fine showmanship, the Big Macs were finally downed by Waynesburg 17 to 28.

Canon-McMillan had many outstanding individuals who gained fame. Those contributing were: Coligan (Soph. 8-0-2), Bish (Soph. 3-0), Cornell (Jr. 6-3), Magaruh (Soph. 1-2), Cisson (Soph. 8-4-1), Pritts (Sr. 13-1), Piccioni (Jr. 9-1), Mollenauer (Jr. 1-1), Wilson (Sr. 8-1-2), Bell (Sr. 4-5-1), Ross (Soph. 2-2), J. Biringer (Soph. 10-2-2), Podrasky (Jr. 11-3), T. Biringer (Jr. 4-3-4), Olenn (Sr. 1-1), Compeggie (Jr. 11-3), Quarture (Jr. 11-3), and Marcishak (Sr. 7-6). The Big Mac wrestlers represented us at the tournaments, which were held at Canon-McMillan. Canon-McMillan wrestlers were awarded five of the thirteen medals offered. Those winning individual awards were Biringer, Compeggie, Podrasky, Quarture, and Wilson. The coaches are expecting to have an equally successful season next year.

Track and field in Canon-McMillan has become a very big sport. The season started out with an indoor "meet" at South Park. This meet is composed of several teams, some from Ohio, but most of them are from Pennsylvania. After this meet came four dual meets. Our biggest dual meet, of course, was with our rival Wash Hi. Two other big meets were the Uniontown Invitationals and the Mt. Lebanon Invitationals. The biggest meet in the Canon-McMillan stadium is the Canon-McMillan relays. This meet is also composed of several teams, and one of the outstanding features is the relay queen and her attendants.

After the section four meet, the first three boys who place in their individual events go on to the W.P.I.A.L., after which comes the P.I.A.L. Some of the senior lettermen back this year included Henry Armstrong, Hank Foley, Frank Gaspar, Jim and Gerry Sedmak, Joe Bartnick, John Snodgrass, Gay Whirlow and Bill Burgess.

The team missed the services of Mr. Banner this year, but Mr. Gowern had a very impressing Cross Country record. He proved that he can do the job equally well in track for 1962.

It takes hard work to be good.

The 1962 baseball team under the expert coaching of Mr. Costa and Mr. Manzo proved to be very capable. They compiled a very commendable record. The team was greatly aided by the experience of many seniors. Although the Big Mac team will lose eleven players, the coaches feel that next year will be just as successful as this one proved to be.

The Hi-Y has been quite active this year. An initiation of new members and volley-ball night was held at the Chapel Gym in October. Members attended the Pitt-Southern California football game at Pitt Stadium. At Christmas they helped to distribute baskets to needy families. Future plans include attending a hockey match at the new Civic Arena and a baseball game at Forbes Field.

Key Club Serves Both School and Community

The Key Club is a service organization with the motto of "We Build." The club is founded on the principles of community service, school service, and developing good leaders and sound citizens of the future. The club is sponsored by the Canonsburg-Houston Kiawanis Club and has a Kiwanis Advisor.

Our projects are used to gain money to send two delegates to the District Convention. Some of our projects have been, the Career Day, Kiwanis Kid's Day, Beauty Contest, Fashion Show, and car washes.

Future Teachers Learn New Techniques

I. to r. Secretary, J. Riggs; Vice-president, S. Horner; President, L. Miller; Treasurer, J. Subrick; Advisor, Mrs. Pintek

The Future Teachers of America provides an opportunity for interested students to learn more about the teaching profession. It strives to explore teaching through reading, observing, listening and discussing. Through the year people in the profession speak to the group, and it also visits a college in the spring.

Future Nurses Plan for Careers

The Future Nurses of America is a career club designed to familiarize prospective nursing candidates with the requirements and objectives of the nursing profession as they pertain to high school students. The high scholastic rating required for club membership serves to promote academic standards essential to acceptance in any accredited nursing school. Speakers, visual aids, and professional pamphlets assist in previewing the personal aspects of nursing, while field trips to the various hospitals of the area facilitate the choice of nursing school.

Year Marks Many Firsts for FFA

This year was a year of many firsts as far as the F.F.A. activities were concerned. Probably the biggest "first" was the french fry stand at the football games. This was a very successful venture into the business world for the members.

Another important "first" for the club was the honor which Charles Bradshaw had bestowed upon him at the State Farm Show in Harrisburg. He was the first boy from the Canon-McMillan Chapter to receive the Keystone Farmer degree.

The club also continued their other activities as they did in previous years: demonstration team, seed sales, attendance at and participation in local fairs and livestock shows, annual Parent and Son Banquet, and numerous other activities.

Future Homemakers Gain Practical Experience

President: Adrienne Myers
Secretary: Patricia Patterson
Treasurer: Deanna Briggs
Sponsor: Miss Laib

"Growing by degrees" is the by-word of the Future Homemakers as they concentrate on the earning of the various degrees. The degrees of achievement program is designed to provide recognition for those members who work toward the purposes of the organization. As the girls show evidence of reaching these goals they can earn for themselves the symbol of a key, scroll, or torch to wear with their official pins.

The program of work studied by the girls each year stimulates their desire to build happy homes, homes for America's future.

JA Gives Students Practica Experience in The World of Business

Junior Achievement combined business with pleasure as groups composed of students from Canon-McMillan, Chartiers, and Peters Township organized their own business firms under the sponsorship of Pennsylvania Transformer Company, Radio Corporation of America, Bell Telephone, Fort Pitt Bridge Works, and Canonsburg Pottery.

With the aid of Mr. Singer, school adviser, students sold stock in their companies and then manufactured and sold their products. After expenses were paid, the companies divided the profits among the stockholders. In this way, junior businessmen learned through experience the intricate procedures in business.

The Commercial Club, under the guidance of Miss Vera Leone Neish, is a club designed to give knowledge of the business world to its members. Its motto "Study to show thyself approved unto God, a workman that needeth not to be ashamed" is followed by each girl.

The club visits different places of business and invites speakers to the meetings to give sound qualifications and advice in seeking future jobs.

Among the club's activities this year was the operation of the concession stand during a football game, and the club also had charge of the Thanksgiving program.

Activities Dominate French Club's Year

The French Club consists of fifty members. Their purpose is to further the study of the French language and to correspond with French teenagers in France and Belgium. An annual Valentine dance is sponsored by the French Club. The concession stand during a football game was the organization's special service project. These activities, in addition to regular twice-a-month meetings, create a further understanding of the French language and culture.

Spanish Club Established

"La Cofradia", the Spanish Club, was formed this year with the purpose of familiarizing the members with the customs, the literature, and the Spanish and Spanish-American Arts. After receiving their charter from the Student Council in December, the club immediately began preparing for their Spring Initiation. In March they initiated fourteen Spanish I students with B averages into the club. In April they went to Carnegie Music Hall to see Jose Greco and his troupe of Spanish dancers and musicians. The Spanish Club's busy year consisted of preparing their constitution, receiving their charter, sponsoring a dance, and furthering their interest in Spanish culture. The club is sponsored by Miss Hull.

High Hopes — That's a perfect title for e present outlook of the Drama Club of 961-62. Under the guidance of Mr. Coppola, any plans have been set.

Preparations are beginning for the production of a musical this spring. Committees are eing organized to take care of make-up, enery, and the usual jobs that go into the aking of a show.

The only real complaint we members can ake about our club is that we do not meet s often as we would like to.

But with our capable sponsor, we feel sure at our problem will soon be eliminated.

THE STUDENT COUNCIL of Canon-McMillan Senior High School exists to give the students a voice in school government and is an essential and active organization. It works hand in hand with faculty and administration in promoting spirit, better understanding, and unity among the students. It is constantly striving for improvement and betterment of school policies with the co-operation of the students and faculty.

The Canon-McMillan Student Council belongs to both Pennsylvania and National Associations of Student Councils, and it is a democratic organization composed of a representative from each homeroom and officers elected by the student body. It is an honor, privilege, and responsibility to be elected to serve as an officer or member of the Student Council.

This has been a year of experimentation for the Ca-Mac. The staff has attempted to improve the newspaper through various methods of publication and it has developed a definite pattern of operation for future years.

During the seventh period each day, the main staff, including the editor, business manager, sports editor, club editor, and three typists, under the direction of Mr. Dayich, worked to prepare the paper for publication. Articles were written, checked, revised, typed, rechecked, typed, proof read, posted, and again proof read.

In addition to a few regular issues, the Ca-Mac published a Student Directory and four Fun Issues.

Waiters at the dance

The Twist!

On March 24, the Drama Club sponsored the very first Mardi Gras ever held in Canon-McMillan. Even though guests were requested to attend in costume, the dance was a success. Prizes were awarded for the most original boy and girl, best male and female, funniest male and female, best group, and best adult. A wide variety of characters attended this festive affair. With such a success, this dance may become a tradition which will be carried out by the students of Canon-McMillan in the years to come.

Even natives from (?) attended the Mardi Gras.

Arduous labor results in pleasant surroundings for an enjoyable evening.

The French Club was successful in sponsoring their annual dance under the French theme "Faisons la Twist", which was held on February 10, 1962 in the Canon-McMillan cafeteria.

To make the evening more complete, a floor show was presented along with dancing, with members of the club taking part in the can-can and the twist. Mr. Cappola, a member of the faculty, produced entertainment with singing and jokes.

An example of typical couples which were present at the Mardi Gras

Parading for the prizes

Norma Csetter is accompanied as she calmly croons to the tune of "Dear Mr. Dee Jay."

The ever popular instrumental group including John Marcischak, Victor Bell, Edward Sartori, and Gerald Dantry hold the audiences' attention through their musical jubilee.

BIG MAC PRESENTS MANY TALENTED STUDENTS

The students of Canon-McMillan had the opportunity on October 26, 1961, to display their talents on stage in the Canon McMillan auditorium. After weeks of practicing, they finally came up with a show of a wide variety of acts in music, dancing, and skits. The show was a challenge to all who participated and will be a moment they will always remember.

Enlivening the audience with their amusing act is Virginia Verakis, Kathleen Briar, Patricia Lightholder, and Helen Esselstyn.

Comedian John Green entertains the audience as he depicts Shelley Berman calling a friend, Dave, as he recovers from a hangover after being at Dave's New Year's Eve Party.

Lending an air of mirth is Carol Jackson as she sings "First Taste of Love."

Accordionist Frank Barbosky is well received as he makes his debut in the Canon McMillan Talent Show.

Music is enjoyed by dancers in the surroundings of the fruits of harvest.

HARVEST DANCE, PICTURE OF GAIETY AND BEAUTY

Donna Dagar is crowned by Ted Hervol to reign over the Harvest Dance.

The annual Harvest Dance, sponsored by the senior class, was held on October 28, 1961. The decorations of the Canon-McMillan gymnasium accurately expressed the feeling of AUTUMN ENCHANTMENT, the theme of the dance. Highlighting the evening's events was the crowning of Donna Dagar as queen. The attendants were Carol Hundzienski, Dolores Matyuf, and Sandy Lazor.

Is this what you call decorating?

Students concentrate while dancing in the atmosphere of "Autumn Ecstasy".

Dancers enchanted by music and nature's winter background.

CHRISTMAS DANCE IS HIGHLIGHT OF STUDENTS' HOLIDAY SEASON

During the busy Christmas season, many students took time out to enjoy the music of Bobby Vinton's "Wonderland by Night" on December 21, 1961. The dance was sponsored by the Junior Class. Nature was brought into the Canon-McMillan gymnasium with the decorations of the wintery outdoors. Refreshments were enjoyed by all in the cafeteria during intermission.

SENIORS DISPLAY DRAMATIC ABILITY

The Senior Play, under the direction of Miss Paulochik and Mr. Warne, was held December 7, 1961 in the Canon-McMillan auditorium. "All Shook Up" is a witty satire on modern college life, poking fun at students and faculty alike and taking nothing very seriously. In the play Anastasia Schultz, fresh from a turkey farm, entered college where she decided to share an off-campus room with Peggy, a beatnik third-year freshman. Anastasia found herself busy with many school functions but had many adventures with faculty members, and romances with the newspaper editor, the French exchange student, and the beatnik poet. After many hilarious scenes and one catastrophe, Anastasia salvaged her school career and found her big romance.

Open house at Peggy's pad.

JUNIOR CLASS PRESENTS
ANNUAL SPRING PLAY

"What's wrong with me today?"

"What's wrong? Did you flunk math?"

1st Row: M. B. Stewart, P. Lightholder, R. Cousins, M. Matrogran, M. Hileman. 2nd Row: J. Subrick, C. Hirst, D. Colusci, K. Jaap, J. Graytock. 3rd Row: L. Guadagni, D. Kouche, D. Bout.

Take a new girl in town, Caroline Adams . . . good-looking, nice, but "different". Then take the captain of the football team. Stir and mix well. Just for flavor, add a small wager that "You Can't Kiss Caroline". Blend in lots of laughs and you've got a prize recipe for the delightful three-act comedy that the Junior Class presented this year.

You Can't Kiss Caroline was skillfully directed by Miss Paulochik and Mr. Warne, and proved to be one of the most entertaining features of the year.

Are you sure that line should be said that way?

"My grandmother is part Cherokee."

Belles and Beaux

Our new addition to the ELMANAC is the Belles and Beaux section which consists of twelve outstanding seniors. These students were selected by the senior class according to qualities such as personality, scholarship, leadership, cooperation, and appearance. We have tried to portray each one and his special interest.

My challenge to you can be expressed in a single word: *DRIVE*. Upon this ability rests the degree or extent of your successes or failures. Within the structural and meaningful framework of the word there exists a wealth of complexities.

You as an individual stand poised on the launching pad to the future. Before you can be energized, there must exist within you the fuel of *desire* and *determination*. Your structure must be so firm and solid as to leave no question as to your *reliability* or no doubt as to your acceptance of *responsibility*.

As the countdown approaches zero, it becomes important that you visualize with *interest* the path of *integrity* and *industry* on which you will be launched. Once in flight the direction and course can only be guided and controlled with work, with application. The nature of the path to the future depends upon your *valor* - - - the strength of mind or spirit which enables one to encounter obstacles with firmness; your verve — aptitude and talent; your *veracity* — how truthful, honest, and accurate; your *versatility* — the ability along many lines of effort; and finally your *validity* — your soundness in reasoning.

The attainment of your ultimate goal can only be achieved with your concerted *effort*.

You as a class can look up and forward. You are the first class who have spent three full years with us — we can truthfully say that you are completely Canon-McMillan.

To all of you may I wish for the best, to the best that's within you?

Mr. Alfred DeLucia
Assistant Principal
Canon-McMillan Senior High School

A thankful heart is not the greatest virtue, but the parent of all other virtues. Cicero

You seniors shall soon walk the "last mile" anxiously awaiting the culmination of twelve long years, of toil for some, yet pleasure for many. This "last mile" shall draw to a close the most glorious years of your lives. This shall appear more evident in the ensuing post graduate years. What is in store for you can only be measured, to a great degree, by your achievements at Canon-McMillan. The opportunity for formal education and self-improvement were provided—all were encouraged to avail yourselves of the many areas of worthy experiences.

For this opportunity, you have much for which to be thankful—thankful for living in a democracy which provides the opportunity for equal education for *all* with no restrictions imposed because of aptitude, or the lack thereof, and the ability to pay.

You must be thankful that your parents, by sacrifice and self-denial, have provided you with the opportunity of attending a new comprehensive high school with the finest equipment; thankful for the Board of Directors' untiring and unselfish devotion to meeting the needs of the youth of the district; thankful for the administrators' and teachers' kind, considerate and understanding of your problems and their untiring effort in preparing you adequately for the challenges of future life.

As years pass by, only too rapidly, you shall be thankful for the work accomplished by the Elmanac Staff in capturing the mood of this last, most memorable school year. Reflections on the past and browsing through the annual shall arouse nostalgic memories of the past so dear to all of you.

Graduation shall sever your immediate ties with Canon-McMillan. You have fulfilled your first wish. Now make your way seeking your ultimate goal.

God speed.

Mr. Alfred DeLucia
Assistant Principal

"There's a way to do it better . . . find it"

Thomas A. Edison

This motto of America's greatest inventor still serves as a guiding light for the 40 divisions of McGraw-Edison Company, which Edison helped found. Following is a partial list of the hundreds of McGraw-Edison products—for homes, electric utilities, and industry — that reflect a constant search for "better ways."

Debi,
I've known you for 3 yrs & I've enjoyed
every minute. I hope that next years
& your future years will bring you
much success

Friendship

In this book we have tried to present the SPIRIT OF BIG MAC. His spirit has been ever-present this year. It has been shown in the desire of the students to learn. We will never forget the tension felt on the day of a crucial test or on report card day. This spirit was climaxed during the commencement season with the thrill of graduation.

Big Mac's spirit was also shown in athletic contests. Even before they stepped into the athletic spotlight, the boys underwent rigorous training in preparation for the games. The spirit of unity among them was shown in their desire to win. It was also revealed in the pride of those receiving recognition on Awards Day.

We hope that through the years this book will serve as a pleasant reminder of your many experiences, large and small, at Canon McMillan Senior High School.
